

## **Vulnerable Sector Screen Policy and Procedure**

Revised: August 29, 2016, October 20, 2016, October 30, 2017, May 7, 2020, June 23, 2022

Reference: Child Care and Early Years Act. 2014

Approved by Board of Directors: October 25, 2016

### **Purpose**

The purpose of this policy and the procedures outlined is to provide clear and transparent rules and processes for regularly collecting and using information in police record checks, offence declarations and attestations for staff, students and volunteers and other persons who provide child care and other services to children.

This policy is intended to help protect the health, safety and well-being of children, families and those involved with Orde Day Care by setting out measures to verify that individuals involved in providing child care in positions of trust are not prohibited doing so under the *Child Care and Early Years Act, 2014* (CCEYA) and do not have a criminal history that may put children in care at risk.

Anyone authorized by the organization to collect or review the background check information must receive Human Rights Code training.

This policy sets out additional measures to protect children, while a vulnerable sector check is being obtained. It will help to reduce the risk where there is a gap between the time the individual starts interacting with children and the time when they provide their vulnerable sector check (VSC).

This policy is intended to fulfill the obligations set out under Ontario Regulation 137/15 for staff screening and police record checks for a child care centre.

Note: definitions for terms used throughout this policy are provided in a Glossary at the end of the document.

### **Policy**

Orde Daycare has developed the following procedure in order to comply with the direction of the Ministry of Education and Toronto Police Services.

- After any break in the relationship with the licensee that has lasted 6 or more months,

before the relationship resumes

- After any break in the relationship with the licensee that has lasted less than 6 months, only if a VSC would have been required during the break, before the relationship resumes.

All VSCs must be forwarded to the Executive Director and will be reviewed by to ensure that they are:

The following exceptions will apply to volunteers and students only:

- VSCs for volunteers and students that are performed more than six months before the day they are provided to the child care centre will be accepted as long as the VSC is less than 5 years old from the date it was performed to the child care centre. In these cases, the volunteer/student will also be required to provide the child care centre with an offence declaration addressing the period since the day the VSC was performed.
- The child care centre will accept a photocopy of a VSC from a volunteer or student as long as it is less than 5 years old from the date was performed.

- a police service will only issue a CRC, not a VSC, for an individual; a
- a licensee is a corporation and the director or officer does not interact with children at the child care centre.
- A Criminal Record and Judicial Matters Check will be accepted in place of a CRC but will not be accepted in place of a VSC.
- Any person who turns 18 while in a position where they interact with children at the child care centre will be asked by the Executive Director to provide a statement disclosing every previous finding of guilt under the Youth Criminal Justice Act (YCJA) if they received an adult sentence. Where the individual confirms that there are no such findings, the Executive Director will document the request and the individual's confirmation in their file.
- Any person who turns 19 while in a position where they interact with children at the child care centre will be asked by the Executive Director to apply for a VSC within one month after their 19<sup>th</sup> birthday. That person must provide the child care centre with evidence that they have submitted a VSC application.

- All VSCs provided to the child care program must be intended for the position that the individual will hold (i.e., employee and volunteer positions). Where the VSC has not been provided for the correct position, it will not be accepted.
- There will be no exceptions made for individuals to obtain a police record check (e.g., for medical reasons).

- All CRCs, VSCs, ODs, attestations and statements of findings of guilt under the YCJA will be kept in a locked cabinet

#### **Procedure for Dealing with Positive Results on VSC:**

- In the case of a positive result being returned on a VSC the agency will consider the nature of and circumstances surrounding the convictions along with the candidate's employment record qualifications and references, and the specific duties and responsibilities of the position.
  - The nature and number of conviction(s)
  - The agency will also consider the length of time since the conviction
  - The rehabilitative and other efforts subsequently made by the applicant/employee
  - The specific duties and responsibilities associated with the position applied for, and the relevance of the particular conviction to the position which would make the conviction(s) a reasonable and bona fide reason for denying employment
  - The risk posed to the child care Centre's "clients" (children) and the employer as a result of employing the applicant/ current staff member in the position
1. The candidate/**current** employee may be required to stop work until a final decision regarding the offer or continuation of employment is made by the Executive Director in conjunction with the Board of Directors Human Resource Committee member/s.
  2. The candidate/**current** employee will be provided with an opportunity to discuss the results of a positive Vulnerable Sector Check and may be asked for additional information and/or documentation regarding the results.
  3. A positive result on a VSC does not necessarily preclude employment with the agency however it is the responsibility of the Executive Director and Board of Directors to evaluate the mitigating circumstances surrounding the positive results and to make the final decision.
  4. Conditional offers of employment may be withdrawn due to an unsatisfactory VSC.
  5. Withdrawal of conditional offers of employment will be documented.

6. In the event that Orde Day Care determines it will not offer a position or maintain employment of a current staff member, as a result of a positive reference check, it will seek independent legal advice to ensure that all appropriate actions have been taken by the centre.
7. The candidate will be advised both verbally and in writing the reasons for the organization's decision.
8. All information obtained through VSC is strictly confidential.
9. If subsequent inquiries are made regarding the selection decision, access to the Police Reference Check is limited to only those authorized by the agency.
